▶ Warren Shake leads this team.

LIFE-LINE MISSIONS

This ministry will provide love, care and support to those who serve as missionaries.

The Mission Team is responsible for exploring missions opportunities, keeping the church informed regarding potential and ongoing missions involvement, and serving as a liaison between the church and missionaries, including financial needs and management.

The Mission Team will also follow up on mission projects, opportunities, needs within the local community as well as foreign missions fields.

PRAYER CHAIN LINK

The Prayer Chain Link will keep the prayer chain strong by praying for emergency requests as they arise and contacting the appropriate person in the prayer chain for additional prayer support.

GREETERS

The greeter is responsible to ensure that every person entering the church for Sunday services or special events, is greeted and that visitors are offered assistance as appropriate so that everyone feels important and welcome.

SANCTUARY SAINTS

This ministry would help prepare for church events by tearing down the chairs in the sanctuary and putting up tables, reversing the responsibility after the event was over. A strong back, but most importantly, a strong heart for the church is helpful in this ministry.

COMMUNION PREPARATION

This ministry will prepare communion for Sunday morning services as well as special services. Also, volunteers will prepare home communion.

COMMUNION SERVERS

This ministry will seek to prepare God's people for communion with our Savior, by taking communion to our shut-in's, and serving in the congregation during the service.

Also, this ministry will give the communion and offering meditations.

THE RED CARPET CREW

The objective of this ministry is to decorate the church in such a way as to give glory to God and uplift spirits. With creativity, an eye to special occasions, and periodic events decorations, this ministry will prepare for the gathering of the church.

Responsibilities

- Design decorations to be in keeping with Christian values special holidays, and staff events.
- Provide freshness to building decorations on regular basis.
- Work with the staff to determine any special needs for up-coming events.
