LFCC Team Ministry

▶ Chris Hardesty leads this team.

Grounds-Keepers for God

The Groundskeepers will work to improve and maintain a well-kept, neat appearance of the church grounds.

Passion & Responsibilities

“For maintaining a beautiful lawn: thereby giving a positive impression of the church and glorifying God through emphasizing the beauty of His creation.”

- Cut the grass weekly or as needed, depending on the seasons.
- Trim around shrubs, foundations...anywhere needed.
- Trim shrubs.
- Clear snow/ice from walkways; put down ice-melt crystals to prevent slick spots.
- Pick up trash from grounds.
- Maintain lawn and garden equipment; arrange repair as needed.

Lilies of the Field

For beautiful flower gardens and bushes

Passion & Responsibilities

Help prepare garden spots (add new soil, fertilizer, work ground as needed).

- Plant shrubs/flowers/etc.
- Weed and water flower gardens.
- Prune landscape plants, dust for diseases and insects as necessary (or assist).
- Keep a check on the gardens to insure proper upkeep and beauty.
- Continue to improve the curb appeal of our church grounds.

Master' Mechanics

Maintenance and up keep of Church Transportation.

The **responsibilities** will be distributed among several volunteers.

Tool-Timers

This ministry adopts projects of general repair and upkeep of the building, special projects for church-related events; and any Community needs that may be met by our handy-men. A skill and desire to work with one's hands fits this ministry well.

Passion & Responsibilities

- Work with other "Tool-Timers" to do repairs and construction-related work for the needy in the church and community (elderly, disabled, low-income,)
- Obtain materials necessary to do the jobs (either through donations of supplies and money or from church budget as available). In some cases, the person may already have the supplies, but not be able to afford the labor cost.
- Prepare construction projects for church-related events (V.B.S., dramas, and musicals).
